To Whom It May Concern:

I am pleased to write this letter of recommendation for Kaden Stremick who is currently a member of the Kalani High School Baseball Program. The Kalani High School Baseball Program is among the top Division I Level competitors within the East Division of the Oahu Interscholastic Association. As the Head Coach, I oversee all facets of the program, including player and team development, academics, fundraising, and administrative duties.

Kaden is a member of the Class of 2021, and I have had the opportunity of coaching him for the past two years. Within the program, my goal is to develop a self-sustaining culture that fosters strong work ethic, respect, teamwork, and discipline. Kaden exemplifies this culture through his constant desire to improve and his commitment to his teammates. He has a willingness to learn new skills and is not afraid to fail. He earns the respect of those that surround him as he constantly strives for perfection. Like anyone else, he has made a few mistakes, and he will continue to make them in the future. However, even in the face of adversity, his desire to be great will never falter.

Defensively as an infielder, he has a set of skills that allows him to compete at a very high level. He has good fielding technique and has a strong arm, making him extremely versatile. He has the capability of playing at any position on the infield. Offensively, he has a compact yet explosive swing that allows him to have an efficient bat path to the baseball and to maximize power. Along with his physical skills, he is a fierce competitor that we must have in the lineup.

Being a student-athlete is very rigorous in that it requires you to maintain a sufficient balance between academics and athletics. It is a constant challenge to maintain that balance and many sacrifices must be made so that you can excel both in the classroom and on the field or court. Regardless of the task, whether it is in the classroom or out on the field, Kaden immerses himself in the process and always aims to achieve greatness, making him a valuable asset to any team, program, or company.

Sincerely,
